

# Asian American Population

According to the 2010 Census Bureau, there were about 17 million Asian Americans. It's one of the fastest growing minorities in the country. Can you find any of the countries of origin in today's news? What can you find out from the facts about the culture from that news item? Write about it on the chart below.

COUNTRY of ORIGIN \_\_\_\_\_

WHAT I  
FOUND  
OUT

A large yellow arrow-shaped box with a dark red border, pointing to the right, intended for writing notes.
